

## **André Forest**

In addition to being a management consultant and company director, André Forest collaborates regularly with the angel investment network, Anges Québec. An engineer by education, Mr. Forest has many years of experience managing and leading companies in the IT and interactive media industries. He founded Stratégies Acquisition.biz, an online platform dedicated to the financing and selling of businesses, which he recently sold to Transcontinental Media Group.

As an entrepreneur and senior executive, he led many companies to profitability, and in some cases, national recognition. For the past several years, Forest has acted as a senior management consultant with several venture capital firms, including Desjardins Venture Capital, Innovatech, IUGO Ventures and SGF. He is Chairman of the Board for Wanted Technologies and Les Boréades and serves or has served on the boards of many companies, including Year One labs, Inpix Média, Dynagram, Touchlink and Netgraphe.

Mr. Forest was the president and founder of Jobboom, the leading job board in Quebec, which was later sold to Vidéotron/Québécor. Prior to that, he was the General Manager of SHL Systemhouse and Vice President of the systems integration division of IST (CGI).
